Step 3—Faculty

Faculty

Each 20-hour course must include faculty members from at least three different disciplines represented on the Council, and must follow the CAOHC Course Outline for content and time allotments. Supplemental OHC course faculty, other than the Course Director, must be actively engaged in their profession. Supplemental instructors do not have to be certified by their professional organization.

Disciplines, and suitable terminology describing them, are:

- Audiology (Audiologist, Occupational Audiologist, Military Audiologist, Industrial Audiologist, Certified Audiologist)
- Occupational health nursing (Occupational Health Nurse, Industrial Nurse, Registered Nurse)
- Safety (Safety Engineer, Safety Professional)
- Industrial hygiene (Industrial Hygienist, Certified Industrial Hygienist)
- Occupational medicine (Occupational Physician, Occupational and Environmental Physician, Physician)
- Otolaryngology (Otolaryngologist, Otologist, ENT Physician, ENT/Head and Neck Surgeon)
- Noise control engineering (Noise Control Engineer, Acoustical Engineer).

In lieu of one required professional discipline instructor, one CAOHC authorized video/DVD curriculum package may be substituted. Only one video/DVD curriculum substitution is allowed per approved course, and must be indicated below.

Note: If the CD is not an audiologist it is strongly recommended that an audiologist be present for audiometry instruction and the audiometric practicum.

Step 4—Course Outline

CAOHC has provided recommended time allotments for each section of the CAOHC OHC Certification and Recertification courses. CAOHC requires that the Certification course be a minimum of 20 hours over a span of 2.5 days. In addition, it is required that the Recertification course be a minimum of eight (8) hours.

Guidance on timing for the various certification and recertification course domains can be found in the CD Resources section of CAOHC's website (www.caohc.org/cd)

Course Directors can should their own discretion when planning their courses based on the OHC Exam blueprint domains and course population mix.

Part 4—Attestation
